

QUALITY POLICY

- Enhance customer satisfaction through continual improvement of our technologies, work processes & systems and compliance with the established Quality Management System.
- Consistently improve the quality of our products/services with active participation of committed and motivated employees and feedback from stakeholders.
- Provide added value to customers through timely and cost effective services/deliverables.
- Ensure compliance with applicable health, safety and environmental requirements during design and delivery of products to enrich quality of life.

(J.C. Nakra)

Chairman & Managing Director
