प्रिय महोदय/महोदया

Dear Sir/Madam,

Pursuant to the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and EIL's Policy for Determination of Materiality of Events/Information, we wish to inform the following:

"Engineers India Limited (EIL) has secured an assignment for providing Owner's Engineer Services for 30,000 MTPA Polysilicon and 500 MTPA Monosilane Project from M/s Mundra Solar Technology Limited (a group company of M/s Adani Enterprises Ltd.), in one of the niche sectors of Polysilicon production, which is the primary component for manufacturing Photovoltaic panels. Conventionally, India has been dependent on import of Polysilicon and this would be a step towards realizing the vision of Atmanirbhar Bharat. This would also contribute towards nation's target of Net Zero by 2070."
