7. AUTHORITY FOR THE BUYBACK

The Buyback is in accordance with the provisions of Article 7 of the Articles of Association of the Company, Section 68, 69, 70 and all other applicable provisions if any, of the Companies Act, 2013 as amended, the Companies (Share Capital and Debenture) Rules, 2014 and the provisions contained in the Buyback Regulations.

The Shareholders of the Company have approved the Buyback by way of a special resolution through the postal ballot as aforesaid.

8. NECESSITY OF THE BUYBACK

Share Buyback is the acquisition by a Company of its own shares. The objective is to return surplus cash to the members holding Equity Shares of the Company. The Board at its meeting held on November 12, 2020, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts for the financial year ended March 31, 2020 and considering these, the Board decided to allocate a sum of Rs. 586.90 Crore (Rupees Five Hundred Eighty Six Crore and Ninety Lakhs only) for returning to the members holding Equity Shares of the Company through the Buyback.

After considering several factors and benefits to the members holding equity shares of the Company, the Board decided to recommend Buyback of not exceeding 6,98,69,047 (Six Crore Ninety Eight Lakh Sixty Nine Thousand Forty Seven) Equity Shares (representing 11.06% of the total number of equity shares in the paid-up share capital of the Company) at a price of Rs. 84/- (Rupees Eighty Four Only) per equity share for an aggregate consideration of not exceeding Rs. 586.90 Crores (Rupees Five Hundred Eighty Six Crore and Ninety Lakhs only). Buyback is a more efficient form of returning surplus cash to the members holding equity shares of the Company, inter-alia, for the following reasons:

- i. The Buyback will help the Company to return surplus cash to its members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members;
- ii. The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher of number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”;
- iii. The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value;
- iv. The Buyback gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment; and

- v. Optimizes the capital structure

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

- 9.1 We believe the Buyback is not likely to cause any material impact on the operating profitability/ earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming there is full response to the Buyback to the extent of 100%, the funds deployed by the Company towards the Buyback would be Rs. 586.90 crores (Rupees Five Hundred Eighty Six Crore and Ninety Lakhs only) excluding transaction costs viz. brokerage, advisor's fees, intermediaries fees, public announcement publication fees, filing fees, turnover charges, applicable taxes inter alia including Buyback taxes, securities transaction tax, goods and services tax, stamp duty and other incidental and related expenses. This shall impact the investment income earned by the Company, on account of reduced amount of funds available for investments.
- 9.2 We believe the Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Buyback is expected to contribute to the overall enhancement of shareholder value and result in an increase in the return on equity of the Company.
- 9.3 In terms of the Buyback Regulations, under the Tender Offer process, the Promoter of the Company has the option to participate in the Buyback. In this regard, the Promoter has expressed its intention, vide its letter dated November 16, 2020, to participate in the Buyback and tender up to such extent that the minimum shareholding of the Promoter post buyback remains at least 51.00% of the post buyback equity share capital of the Company in compliance with the Buyback Regulations. The Buyback of Equity Shares will not result in a change in control or otherwise affect the existing management structure of the Company.
- 9.4 Since the entire shareholding of the Promoter is in the demat mode, the details of acquisition/ sale of entire Equity Shares that the Promoter has acquired/sold till date as per the information provided by the Promoter vide its letter dated November 16, 2020, are set-out below:

The Buyback is in accordance with the provisions of Section 68, 69, 70 and all other applicable provisions, if any, of the Companies Act 2013 and rules made thereunder, in accordance with the Articles of Association of the Company and the Buyback Regulations and subject to such other approvals, permissions and sanctions as may be necessary, from time to time from statutory authorities including but not limited to SEBI, Stock Exchanges, RBI etc. The Buyback Offer Size is not exceeding 25% of the aggregate of the fully paid-up share capital and free reserves as per the audited accounts of the Company for the financial year ended March 31, 2020 (the last audited standalone and consolidated financial statements available as on the date of Board Meeting recommending the proposal of the Buyback) and is within the statutory limits of 25% of the aggregate of fully paid up share capital and free reserves as per the audited accounts of the Company for the Financial year ended March 31, 2020.

The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buyback and, accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buyback.

- 19.2 The aggregate shareholding of the Promoter as on Record Date is [●] ([●]) Equity Shares, which represents [●]% of the existing Equity Share capital of the Company. In terms of the Buyback Regulations, under the Tender Offer process, the Promoter of the company has the option to participate

in the Buyback. In this regard, the President of India acting through Ministry of Power, Government of India, vide their letter dated November 16, 2020 intends to participate in the Buyback and tender up to such extent that the minimum shareholding of the Promoter post buyback remains at least 51.00% of the post buyback equity share capital of the Company in compliance with the Buyback Regulations.

19.3 Assuming that the Promoter i.e. President of India acting through Ministry of Petroleum and Natural Gas, Government of India, tenders their Equity Shares in the Buyback (in accordance with the declaration provided by them), the aggregate shareholding of the Promoter, post Buyback will increase to [●]% of the post Buyback equity share capital of the Company, if all the public Shareholders participate upto their entitlement (full acceptance) and will reduce to [●]% of the post Buyback equity share capital of the Company if none of the public shareholders participate in the Buyback Offer. However, Promoter vide their letter dated November 16, 2020 intends to participate in the Buyback and tender up to such extent that the minimum shareholding of the Promoter post buyback remains at least 51.00% of the post buyback equity share capital of the Company in compliance with the Buyback Regulations.

19.4 Record Date, Ratio of the Buyback and entitlement of each Shareholder

- a) The Buyback Committee in its meeting held on December 21, 2020 announced Friday, January 1, 2021 as the Record Date for the purpose of determining the Buyback Entitlement and the names of the Shareholders, who are eligible to participate in the Buyback Offer.
- b) The Equity Shares proposed to be bought back by the Company shall be divided in two categories:
 - Reserved category for Small Shareholders (“**Reserved Category**”); and
 - General category for all Eligible Shareholders other than Small Shareholders (“**General Category**”)
- c) As defined in the Buyback Regulations, a “**Small Shareholder**” is a shareholder who holds Equity Shares having market value, on the basis of closing price on the stock exchanges in which the highest trading volume as on Record Date, of not more than Rs.2,00,000/- (Rupees Two Lakh only). As on the Record Date, the volume of Shares traded on NSE was [●] shares and on BSE was [●] Shares. Accordingly, [●] being the exchange with highest turnover, the closing price was Rs.[●] and hence all Shareholders holding not more than [●] Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
- d) Based on the above definition, there are [●] Small Shareholders with aggregate shareholding of [●] Shares, as on Record Date, which constitutes [●]% of the outstanding paid up equity share capital of the Company and [●]% of the number of [●] Equity Shares which are proposed to be bought back as part of this Buyback Offer.
- e) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be [●] Equity Shares which is higher of:
 - i. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of [●] Equity Shares which works out to [●] Equity Shares; or
 - ii. The number of Equity Shares entitled as per their shareholding as on Record Date [i.e. $(\frac{[●]}{[●]} \times [●])$] which works out to [●] Equity Shares.

All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders since the Promoter also intends to offer Equity Shares held by them in the Buyback.

- f) Based on the above and in accordance with Regulation 6 of the Buyback Regulations, [●] Equity Shares will be reserved for Small Shareholders. Accordingly, General Category shall consist of [●] Equity Shares.
- g) Based on the above entitlements, the Ratio of Buyback for both categories is decided as below:

Category	Ratio of Buyback
Reserved Category	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date
General Category	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date

(The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding off. The actual Buyback Entitlement for Reserved Category for Small Shareholders is [●]% and General Category for all other Eligible Shareholders is [●].)

19.5 Fractional Entitlements

If the Buyback Entitlement, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 (one) Equity Share) then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback Offer, for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [●] or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholder to the extent possible and permissible.

19.6 Basis of Acceptance of Equity Shares validly tendered in the Reserved Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Full acceptance (i.e. 100%) of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b) Post the acceptance as described in paragraph 19.6 (a) above, in case, there are any Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and one Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described in paragraph 19.6 (a) and (b) above, in case, there are any validly tendered unaccepted Shares in the Reserved Category (“**Reserved Category Additional Shares**”) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.6 (b) above, shall be reduced by one.
- d) Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.6 (c) above, will be made as follows:
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.7 Basis of Acceptance of Equity Shares validly tendered in the General Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Eligible Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- b) Post the acceptance as described in paragraph 19.7 (a) above, in case, there are any validly tendered

unaccepted Shares in the General Category (“**General Category Additional Shares**”) and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Eligible Shareholder shall be equal to the General Category Additional Shares validly tendered by the Eligible Shareholders divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.

- c) Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.7 (b) above, will be made as follows:
- For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.8 Basis of Acceptance of Shares between Categories

- a) After acceptances of tenders, as mentioned in 19.6 and 19.7 above, in case, there are any Shares left to be bought back in one category (**‘Partially filled Category’**), and there are additional unaccepted validly tendered Shares (**‘Further Additional Shares’**) in the second Category (**‘Over Tendered Category’**), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner i.e. valid Acceptances per Shareholder shall be equal to the Further Additional Shares validly tendered by an Eligible Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Shares left to be bought back in the Partially filled Category.

19.10 For the avoidance of doubt, it is clarified that the Equity Shares tendered by any Eligible Shareholder over and above the number of Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of Acceptance in accordance with above clauses.

19.11 Clubbing of Entitlements

In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the buyback entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares, where the sequence of PANs is

identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body - broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

21. NOTE ON TAXATION

Disclosures in this paragraph are based on expert opinion sought by the Company.

The summary of the tax considerations in this section are based on the current provisions of the tax laws of India and the regulations thereunder, the judicial and the administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions. Any such changes could have different tax implications on these tax considerations.

In view of the particularized nature of tax consequences, shareholders are required to consult their tax advisors for the applicable tax provisions including the treatment that may be given by their respective tax officers in their case, and the appropriate course of action that they should take.

The company does not accept any responsibility for the accuracy or otherwise of this tax summary and there can be no liability on the company if any action is taken by the shareholder solely based on this tax summary. Therefore, shareholders cannot rely on this advice and the summary tax implications relating to the treatment of income tax in the case of buyback of equity shares listed on the stock exchange set out below should be treated as indicative and for guidance purposes only.

CLASSIFICATION OF SHARES AND SHAREHOLDER

1. GENERAL

The Indian tax year runs from April 1 to March 31 of subsequent year. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act, 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on

his/her Indian sourced income or income received by such person in India. Vide Finance Act, 2020, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India only on their Indian sourced income or income from business or professional controlled in India.

In case of shares of a company, the source of income from shares would depend on the “situs” of the shares. As per ITA and Judicial precedents, generally the “situs” of the shares is where company is “incorporated” and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the Double Taxation Avoidance Agreement (“DTAA”), as modified by the Multilateral Instrument (MLI), if the same is applicable to the relevant DTAA between India and the respective country of which the said shareholder is tax resident. The above benefit may be available subject to satisfying relevant conditions prescribed under ITA including but not limited to availability of Tax Residency Certificate, non-applicability of General Anti-Avoidance Rule (“GAAR”) and providing and maintaining necessary information and documents as prescribed under ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

2. CLASSIFICATION OF SHAREHOLDERS

Section 6 of the ITA, determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in two categories as below:

A. Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP
- Others (corporate bodies):
 - Company
 - Other than Company

B. Deemed Resident Shareholder –an individual being a citizen of India who is not liable to tax in any other country or territory by reason of domicile, residence or any other criteria of similar nature and has total income other than foreign sourced income exceeding Rs 15 lakh during the tax year.

C. Non-Resident Shareholders being:

- Non-Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than Company

3. BUYBACK OF SHARES

Section 115QA of the ITA introduced w.e.f. June 1, 2013 contains provisions for taxation of a domestic company in respect of buy-back of shares (within the meaning of Sec. 68 of the Companies Act). In effect, the incidence of tax stands shifted completely to the Company and not the recipient of the buyback proceeds.

Before the enactment of Finance Act (No 2), 2019, this section was not applicable to shares listed on a recognized stock exchange. The Finance Act (No 2), 2019 has amended section 115QA of the ITA with effect from 5th July, 2019 extending its provisions to cover distributed income on buy-back of equity shares of a company listed on a recognized stock exchange as well.

Section 10(34A) of the ITA provided for exemption to a shareholder in respect of income arising from buy-back of shares w.e.f. April 1, 2014 (i.e. Assessment year 2014-15). The Finance Act (No. 2), 2019 has also made consequential changes to section 10(34A) of the ITA extending the benefit of exemption of income from buy-back to shareholders in respect of shares listed on recognized stock exchange as well.

Thus, the tax implications to the following categories of shareholders are as under:

A. Resident Shareholders or Deemed Resident Shareholders

Income arising to the shareholder on account of buy-back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) of the ITA with effect from July 5, 2019.

B. Non-Resident Shareholders

While the income arising to the shareholder on account of buy back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) with effect from July 5, 2019 in the hands of a Non-resident as well, the same may be subject to tax in the country of residence of the shareholder as per the provisions of the tax laws of that country. The credit of tax may or may not be allowed to such Non- resident shareholder to be claimed in the country of residence in respect of the buy-back tax paid by the company in view of Sec 115QA (4) and (5) of the ITA. Non-resident shareholders need to consult their tax advisors with regard to availability of such a tax credit.

4. TAX DEDUCTION AT SOURCE

Currently, there are no provisions for tax deduction at source in respect of income earned from transfer/ buy-back of shares in case of resident shareholders/ deemed resident shareholders.

Given that income arising on account of the buy-back of shares is exempt from tax under Section 10(34A) of ITA, the same would not be subject to tax deduction at source for non-resident shareholders.

5. SECURITIES TRANSACTION TAX

Since the Buyback of shares shall take place through the settlement mechanism of the Stock Exchange, Securities Transaction Tax at 0.1% of the value of the transaction will be applicable.

Caveat:

The summary of the tax considerations as above is based on the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

In view of the specific nature of tax consequences, shareholders who are not tax residents of India are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant Country or State tax law and provisions of DTAA where applicable.
