### INDEPENDENT AUDITOR'S REPORT

то

THE MEMBERS OF ENGINEERS INDIA LIMITED

#### **Report on the Audit of Standalone Financial Statements**

Opinion

We have audited the accompanying Standalone Financial Statements of **ENGINEERS INDIA LIMITED** ("the company"), which comprise the Balance Sheet as at 31 March 2022, the statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter Paragraph

We draw reference to Note 40 and Note 52 to the standalone financial statements concerning ongoing litigation as a going concern in respect of matters indicated therein involving a sum of Rs.23,927.03 Lakhs (Commercial claims including employee's claims). Any adverse impact of litigation is currently not ascertainable and therefore has been disclosed as contingent liability.

Our opinion is not modified in respect of the said matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

#### 1. Estimation in relation to Percentage Completion Method

The Company recognizes revenue using the percentage of completion method. This method involves management estimates w.r.t cost and outcomes of long-term construction and service contracts. Revenue recognition in this regard is complex because it is based on the management estimates, assessments and judgements of:

- estimated contract revenue and estimated costs;
- the assessment of stage of completion of respective jobs;
- total efforts incurred till date and balance efforts required to complete the remaining Contract Performance obligations;
- changes in work scope;
- the probability of customer approval of variations and claims; and
- probability of levy for liquidated damages, Warranty/Guarantee and price reduction for delay or waiver/ reduction of such levies.

Audit procedures were carried out for verifying the revenue recognized from such contracts, and for that purpose, we:

- selected samples of contracts and evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations;
- assessed management's estimates of total contract revenue, contract costs and recalculated the stage of completion based on actual costs incurred till date for a sample of contracts;

- selected a sample of contracts and performed a review of efforts incurred with estimated efforts to identify significant variations, if any and verify whether those variations have been considered while estimating the remaining efforts required to complete the respective contract;
- reviewed samples of contracts with unbilled revenues to identify possible delays in achieving milestones and change if any, required in estimated efforts to complete the remaining performance obligations by the company;
- performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.

This has been considered as a key audit matter because of the involvement of management's judgement and estimates in recognizing revenue from such contracts and potential variations that may have consequential impact on the profitability of the company.

#### 2. Arbitration Proceedings in case of M/s Fernas Construction India Private Limited

In April, 2016, the company terminated an existing contract with M/s Fernas Construction India Private Limited ("contractor") consequent to the findings of an investigating agency that certificates submitted for qualifying the contract was bogus. Subsequently, the company is completing the contract at the risk and cost of contractor in terms of provision of the contract.

The matter has been referred to the Arbitral Tribunal wherein the contractor has filed its claim amounting to ₹ 40,960.75 Lakhs against the company. The company has filed its reply along with its counter claim and application to implead the parent company of the contractor, decisions on which is pending with the Arbitral Tribunal.

During the financial year 2018-19, a third-party creditor of the contractor has filed an application against the contractor with National Company Law Appellate Tribunal (NCLAT) under Insolvency and Bankruptcy Code, 2016 (IBC). Interim Resolution Professional (IRP) has been appointed and hence arbitration proceedings have been stayed sine die.

EIL has filed its claim against the contractor with the IRP. Hon'ble Supreme Court, on the application of the contractor has stayed the Resolution proceedings. During the previous year, the company has approached Arbitral Tribunal and NCLT for revival of counter claims wherein the company has been directed to approach the appropriate forum and accordingly during the year company has filed an impleadment application before the Hon'ble Supreme Court. Refer Note 51 to the standalone financial statements.

This has been considered as a key audit matter given the uncertain outcome of legal proceedings/arbitral proceedings and the involvement of management's judgement and estimates in relation to the same and any variation may have consequential impact on the profitability of the company.

The status of such job has been reviewed on regular basis. Also outcome of the legal proceedings was reviewed time to time. Based on the management's assessment, the management has not considered any possible obligation on this account requiring future probable outflow of resources of the company and accordingly no provision has been made nor disclosed as Contingent Liability in the standalone financial statements of the company.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the Management Discussion and Analysis, Director's Report including annexures to Director's Report, Business Responsibility Report, Corporate Governance, Ten years' Performance at a Glance and Chairman's Statement included in the Annual Report of the company, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of audit, or otherwise appears to be materially misstated.

On reading the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations.

# Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

# As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of Accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

### Annexure C to Independent Auditors' Report

Referred to Paragraph 3(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

#### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ENGINEERS INDIA LIMITED ("the company") as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### INDEPENDENT AUDITOR'S REPORT

#### TO THE MEMBERS OF ENGINEERS INDIA LIMITED

#### **Report on the Audit of the Consolidated Financial Statements**

#### Opinion

We have audited the accompanying Consolidated Financial Statements of **ENGINEERS INDIA LIMITED** ("the Holding Company") and its subsidiary company (the Holding Company and its subsidiary together referred to as "the Group") and its jointly controlled entities, which comprise the consolidated Balance Sheet as at 31 March 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the consolidated Cash Flows Statement for the year then ended and notes to the Consolidated Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its jointly controlled entities as at 31 March 2022, consolidated profit (including other comprehensive income), consolidated changes in equity and consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter Paragraph

We draw reference to Note 40 and Note 52 to the consolidated financial statements concerning ongoing litigation as a going concern in respect of matters indicated therein involving a sum of Rs. 23,927.03 Lakhs (Commercial claims including employee's claims). Any adverse impact of litigation is currently not ascertainable and therefore has been disclosed as contingent liability.

Our opinion is not modified in respect of the said matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

#### 1. Estimation in relation to Percentage Completion Method

The Holding Company recognizes revenue using the percentage of completion method. This method involves management estimates w.r.t cost and outcomes of long-term construction and service contracts. Revenue recognition in this regard is complex because it is based on the management estimates, assessments and judgments of:

- · estimated contract revenue and estimated costs;
- the assessment of stage of completion of respective jobs;
- total efforts incurred till date and balance efforts required to complete the remaining contract performance obligations;
- changes in workscope;
- the probability of customer approval of variations and claims; and
- Probability of levy for liquidated damages, warranty/guarantee and price reduction for delay or waiver/ reduction of such levies.

Audit procedures were carried out for verifying the revenue recognized from such contracts, and for that purpose, we:

- selected a sample of contracts and evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations;
- assessed management's estimates of total contract revenue and contract costs and recalculated the stage of completion based on actual costs incurred till date for a sample of contracts;
- selected a sample of contracts and performed are view of efforts incurred with estimated efforts to identify significant variations, if any and verify whether those variations have been considered while estimating the remaining efforts required to complete the respective contract;
- reviewed a sample of contracts with unbilled revenues to identify possible delays in achieving milestones and change if any, required in estimated efforts to complete the remaining performance obligations;
- performed analytical procedures and test of details for reasonableness of incurred and estimated efforts.

This has been considered as a key audit matter because of the involvement of management's judgement and estimates in recognizing revenue from such contracts and potential variations that may have consequential impact on the profitability.

#### 2. Arbitration Proceedings in case of M/s Fernas Construction India Private Limited

In April, 2016, the Holding company terminated an existing contract with M/s Fernas Construction India Private Limited ("contractor") consequent to the findings of an investigating agency that certificates submitted for qualifying the contract was bogus. Subsequently, the Holding company is completing the contract at the risk and cost of contractor in terms of provision of the contract.

The matter has been referred to the Arbitral Tribunal wherein the contractor has filed its claim amounting to ₹ 40,960.75 Lakhs against the Holding company. The Holding company has filed its reply along with its counter claim and application to implead the parent company of the contractor, decisions on which is pending with the Arbitral Tribunal.

During the financial year 2018-19, a third-party creditor of the contractor has filed an application against the contractor with National Company Law Appellate Tribunal (NCLAT) under Insolvency and Bankruptcy Code, 2016 (IBC). Interim Resolution Professional (IRP) has been appointed and hence arbitration proceedings have been stayed sine die.

The Holding company has filed its claim against the contractor with the IRP. Hon'ble Supreme Court, on the application of the contractor has stayed the Resolution proceedings. During the previous year, the parent company has approached Arbitral Tribunal and NCLT for revival of counter claims wherein parent company has been directed to approach the appropriate forum and accordingly during the year parent company has filed an impleadment application before the Hon'ble Supreme Court. Refer Note 51 to the standalone financial statements.

This has been considered as a key audit matter given the uncertain outcome of legal proceedings/arbitral proceedings and the involvement of management's judgement and estimates in relation to the same and any variation may have consequential impact on the profitability.

The status of such job has been reviewed on regular basis. Also outcome of the legal proceedings was reviewed time to time. Based on the management's assessment, the management of Holding Company has not considered any possible obligation on this account requiring future probable outflow of resources of the holding company and accordingly no provision has been made nor disclosed as Contingent Liability in the Consolidated Financial Statements.

# Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the Management Discussion and Analysis, Director's Report including annexures to Director's Report, Business Responsibility Report, Corporate Governance, Ten years' Performance at a Glance and Chairman's Statement included in the Annual Report of the Holding Company, but does not include the Consolidated Financial Statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be an advected and the stated.

On reading the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations.

# Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group including its jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. The respective Board of Directors of the companies included in the Group and its jointly controlled entities are responsible for maintenance of adequateaccountingrecordsinaccordancewiththeprovisionsoftheActforsafeguardingthe assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and its jointly controlled entities are responsible for assessing the ability of the Group and its jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its jointly controlled entities are responsible for overseeing the financial reporting process of the Group and its jointly controlled entities.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group and its jointly controlled entities has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its jointly controlled entities to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to soutweigh the public interest benefits of such communication.

#### **Other Matters**

8.00

We did not audit the financial statements/financial information of subsidiary company, whose financial statements reflect total assets of ₹9,687.27 lakhs as of 31 March 2022, total revenues of ₹4,990.64 lakhs and net cash inflow of ₹193.73 lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. The auditor of subsidiary company has issued the qualified audit report which in our opinion and according to the information and explanations given to us by the Management, these qualifications are not material to the Group.

Also we did not audit the financial statements of 1 jointly controlled entity in which Group's share of net loss is ₹20,331.39 lakhs for year ended 31 March 2022, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of subsidiary company and jointly controlled entity and our report in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary company and jointly controlled entity, is based solely on the reports of the other auditors.

Also we did not audit the financial statements of 1 foreign jointly controlled entity in which Group's share of net loss is ₹5.58 Lakhs for year ended 31 March 2022 on the basis of unaudited financial statements are considered in the Consolidated Financial Statements. In our opinion and according to the information and explanations given to us by the Management, these unaudited financial statements/financial information are not material to the Group.

Further 1 jointly controlled entity M/s TEIL Projects Limited is under liquidation. We did not audit the financial information of the said jointly controlled entity in which Group's share of net profit/(loss) is NIL for the year ended 31 March 2022, as considered in the Consolidated Financial Statements. The liquidator's statement as certified by the Liquidator has not been furnished to us by the Management. In our opinion and according to the information and explanations given to us by the Management, these financial statements/financial information are not material to the Group.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

#### Report on Other Legal and Regulatory Requirements

#### Annexure - B to the Independent Auditors' Report

Referred to Paragraph (f) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

# Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements as of and for the year ended 31 March 2022, we have audited the internal financial controls over financial reporting of **ENGINEERS INDIA LIMITED** "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") and its jointly controlled entities, which are companies incorporated in India, as of that date.

#### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors/Management of the Holding Company, its subsidiary company and jointly controlled entities, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group and its jointly controlled entities, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We did not audit the financial statements/financial information of subsidiary company. The auditor of subsidiary company has issued the qualified opinion on Internal Financial Control which in our opinion and according to the information and explanations given to us by the Management, these qualifications are not material to the Group.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting of the Group and its jointly controlled entities.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Group and its jointly controlled entities, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
