

**INDEPENDENT AUDITOR'S REPORT**

**TO  
THE MEMBERS OF  
CERTIFICATION ENGINEERS INTERNATIONAL LIMITED**

**Report on the Audit of Standalone Financial Statements****Opinion**

We have audited the accompanying Standalone Financial Statements of Certification Engineers International Limited ("the company"), which comprise the Balance Sheet as at 31 March 2025, the statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

**Basis of Opinion**

We have conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are Independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered accountants of India (ICAI) together with the ethical requirement that are relevant to our audit of the Financial statements under the provisions of the Companies Act, 2013 and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of

the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of Accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. The Comptroller and Auditor General of India has issued Directions indicating the areas to be examined in terms of sub section (5) of section 143 of the Act, compliance of which are set out in "Annexure B".
3. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act.
  - e) As per notification number G.S.R. 463(E) dated 5 June, 2015 issued by Ministry of Corporate Affairs, section 164(2) of the Act regarding the disqualifications of Directors is not applicable to the company, since it is a Government Company.

- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- g) As per notification number G.S.R. 463(E) dated 5 June, 2015 issued by Ministry of Corporate Affairs, section 197(16) of the Act regarding the Managerial remuneration is not applicable to the company, since it is a Government Company.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 36 to the standalone financial statements;
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
  - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

  - v. (a) The final dividend proposed for the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act.
  - (b) The interim dividend declared and paid by the Company during the year is in accordance with Section 123 of the Act.
  - (c) As stated in Note No 38 to the Standalone Financial Statements, the Board of Directors of the Company has proposed final dividend for the year which is subject

# P C Ghadiali And Co LLP

CHARTERED ACCOUNTANTS

to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

- vi. Based on our examination, the company has used accounting software for maintaining its books of accounts
- The software includes a feature for recording an audit trail with edit log.
  - The audit trail feature was enabled throughout the financial year.
  - All the transactions recorded in the software are covered in the audit trail
  - And the audit trail has been preserved as per statutory requirement for retention of records.

**Annexure - A to the Independent Auditor's Report**

Annexure referred to in Paragraph 1 under our 'Report on Other Legal Regulatory Requirements section in the Independent Auditor Report of even date on the standalone Ind AS Financial Statements of Certification Engineers International Limited for the year ended 31 March 2025, we report that: -

- i. In respect of the Company's property, plant and equipment and intangible assets:
  - a.
    - (A) In our opinion, the Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
    - (B) In our opinion, the Company has maintained proper records showing full particulars of intangible assets.
  - b. As explained to us, physical verification of Property, Plant and Equipment is being conducted in a phased program by the management designed to cover all the assets at reasonable intervals, which in our opinion is reasonable having regard to the size of the Company and the nature of assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - c. The Company owns lease hold property acquired from CIDCO on 60 years lease. The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company. The property has been leased out to other entity. *As per lease agreement permission from CIDCO is required for subletting the property but such permission is not available with the company.* The management has duly communicated to CIDCO the fact that the company is subletting the property to EPFO and there has been no objection from CIDCO.
  - d. The Company has not revalued any of its property, plant and equipment (including right-of-use assets) or intangible assets or both during the year.
  - e. According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.
- ii.
  - a. The inventory in the company includes stationery and consumable items the value whereof is not material. According to the information and explanation given to us and the records examined by us, physical verification of inventory has been conducted at reasonable intervals by the management. In our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancy of 10% or more in aggregate for each class of inventory was noticed on physical verification of stocks by the management as compared to book records.
  - b. The company has not been sanctioned working capital limits in excess of Rs 5 crore, in aggregate, at any points of the time during the year, from banks or financial institution on the basis of security of current assets, so this point is not applicable.
- iii. In our opinion and according to the information and explanation given to us, during the year the Company has not made any investments in, provided any guarantee or security

or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other pares. So, the sub clauses (a) to (f) are not applicable on the company.

- iv. In our opinion and according to the information and explanation given to us and based on the audit procedures conducted by us, the Company has not given any loan directly or indirectly to directors or any person in whom any of the director of the company is interested, or given any guarantee or provided any security in connection with any loan taken by directors or such other person during the year, hence compliance with the provisions of sections 185 and 186 of the Act, with respect to loans and advances granted, guarantees and securities provided and investments made by the Company does not arise..
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of the directive issued by the RBI provisions of Section 73 to 76 of the Act or any other relevant provisions of the Act and the relevant rules framed there under. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under clause (d) of sub-section (1) of Section 148 of the Companies Act, 2013.
- vii. According to the information and explanations given to us in respect of statutory dues:
  - a. The Company has generally been regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, service tax and other material statutory dues, as applicable with the appropriate authorities. According to the information and explanation given to us, there were no undisputed amounts payable in respect of above statutory dues outstanding on 31<sup>st</sup> March 2025 for a period of more than 6 months from the date they became payable.
  - b. According to the information and explanations given to us, with reference to the amounts required to be deposited as referred in sub-clause (a) (supra), there are no such amounts which have not been deposited by the Company on account of any dispute, except the following:

SI No	Nature of Statute	Nature of Dues	Amount (Rs in Lakh)	Period to which the amount related	Remarks, Forum where the dispute is pending
1.	CGST Act, 2017	Wrong availment of ITC	32.22	2018-19	Office of the Commissioner of CGST & Excise, Raigad
	CGST Act, 2017	Nom submission of records of credit note.	85.76	2018-19	Office of the Commissioner of CGST & Excise, Raigad
2.	Income Tax Act, 1961	Income Tax Rectification u/s 154	63.24	Assessment year 2016-17	Jurisdictional Assessing Officer

SI No	Nature of Statute	Nature of Dues	Amount (Rs in Lakh)	Period to which the amount related	Remarks, Forum where the dispute is pending
3.	Income Tax Act, 1961	Income Tax Rectification u/s 154	124.37	Assessment year 2015-16	Jurisdictional Assessing Officer
<i>The rectification under section 154 filled with the department not settled after a long period of time further latest status is not available with the company. Since the matter only relates to rectification, it is not possible to state as to whether the same is disputed.</i>					

- viii. Based on our audit procedures and according to the information and explanations given by the management, there are no such transactions which were earlier not recorded in the books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
- a. In our opinion and according to the information and explanations given to us, the Company has not availed any loans, thus reporting under sub-clauses (a), (b), (c) (d), (e) and (f) are not applicable.
- x.
- a. Based on our audit procedures and according to the information and explanations given by the management, the company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year
- b. Based on our audit procedures and according to the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or convertible debentures during the year.
- xi.
- a. In our opinion and according to the information and explanations given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year and hence reporting under clause 3 (xi)(a) and (b) of the Order is not applicable.
- b. In our opinion and according to the information and explanations given to us, the company has whistle blower policy. The Company has not received any whistle blower complaints up to the date of this report and hence reporting under clause 3(xi)(c) of the Order is not applicable.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, clause 3 (xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us, all the major transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, where applicable and the details have been disclosed in the financial statements, etc., as required by the applicable Accounting Standards.
- xiv. According to Section 138 of the Companies Act, 2013 internal audit is not applicable to the Company. Thus, reporting under para 14(a) and (b) is not required

- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors, and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a. According to the information and explanation given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.
- b. In our opinion and according to the information and explanation given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- c. In our opinion and according to the information and explanations given to us, The Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly reporting under clause 3(xvi)(c) of the order is not applicable.
- d. In our opinion and according to the information and explanations given to us, there are no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. a. The unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act are in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- b. In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.
- xxi. According to the information and explanation given to us and based on our examination of books of accounts and other documents, the company is not required to prepare consolidated financial statements and hence, clause (xxi) of the Companies (Auditor's Report) Order, 2020 is not applicable.

# P C Ghadiali AND Co LLP

CHARTERED ACCOUNTANTS

- xxi. According to the information and explanation given to us and based on our examination of books of accounts and other documents, the company is not required to prepare consolidated financial statements and hence, clause (xxi) of the Companies (Auditor's Report) Order, 2020 is not applicable.

Sr. No.	Direction	Reply
1.	Whether the Company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	Yes, the Company has in-house developed IT software and systems in place to process all the accounting transactions. All the transactions are stored on the server of the parent company to keep the data safe and secure. As no accounting transactions is outside IT system there is no implication on the integrity of the accounts along with the financial implications.
2.	Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/ loans/interest etc. made by a lender to the Company due to the Company's inability to repay the loan? If yes, the financial impact may be stated whether such cases are properly accounted for? (In case, lender is a government company).	The company has not taken any loan as on balance sheet date except Bank Guarantee Facility. Therefore, there is no case of restructuring of an existing loan or cases of waiver/write off of debts/ loans/interest etc. during the year 2024-25.
3.	Whether funds (grants/subsidy etc.) received/ receivable for specific schemes from Central/State Government or its agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation. Funds	As per our information and explanation given to us and based on our examination of records no funds(Grants/subsidy etc.) received by the company for specific schemes from Central/State Government.

	received/receivable for specific schemes from Central/ State agencies were properly accounted for/utilized as per its terms and conditions.

**Referred to in paragraph 3(f) under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the Standalone Financial Statements of the company for the period ended March 31, 2025:**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Certification Engineers International Limited ("the Company") as at March 31, 2025 in conjunction with our audit of the Standalone financial statements of the Company for the period ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

Internal Financial Controls testing has been done on the principles and practices generally followed based on the Standard Operating Procedures (SOPs) designed by the parent company management to the extent applicable.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

## Certification Engineers International Limited

### Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025

#### 1. NATURE OF PRINCIPAL ACTIVITIES

Certification Engineers International Limited and (referred to as "CEIL" or "the Company") is a Government of India Enterprise a wholly owned subsidiary Company of Engineers India Limited. The Company undertakes certification, recertification, third party inspection, safety audits for offshore and onshore oil and gas facilities and other quality sensitive sectors of the industry. The Company is domiciled in India has its registered office situated at 1 Bhikaji Cama Place, New Delhi 110066.

#### 2. GENERAL INFORMATION AND STATEMENT OF COMPLIANCE

The financial statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('Ind AS') issued by Ministry of Corporate Affairs ('MCA'). The company has uniformly applied the accounting policies during the period presented.

The financial statements for the year ended 31<sup>st</sup> March 2025 were authorized and approved for issue by the Board of Directors on 26<sup>th</sup> May'2025.

#### 3. SUMMARY OF MATERIAL ACCOUNTING POLICIES

##### A. ACCOUNTING CONCEPTS

The financial statements have been prepared using the material accounting policies and measurement bases summarised below. The accounts are prepared on historical cost concept based on accrual method of accounting as a going concern.

##### B. REVENUE RECOGNITION

###### REVENUE RECOGNITION

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration which the company expects to receive in exchange for those services. The services performed by the company fall into the criteria of the transfer of control over a period of time and as such company satisfy the performance obligation and revenue over a period of time.

Revenue is measured based on the transaction price, which is the consideration, adjusted for variable considerations, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Arrangements with customers are either on a cost plus/ rate basis jobs, lump sum contracts and percentage fee contracts.

Revenue from services is accounted as follows:

- In the case of cost plus/rate basis jobs, on the basis of amount billable under the contracts
- In the case of lump-sum contracts, as proportion of actual direct costs of the work performed to latest estimated total direct cost of the work performed i.e. percentage completion method.
- In case of contracts providing for a percentage fees on equipment/material value/project cost, on the basis of physical progress as certified up to the closing date of accounting year

Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

## **Certification Engineers International Limited**

### **Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025**

Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

Other claims including interest on outstanding are accounted for when there is probability of ultimate collection.

#### **WORK-IN-PROGRESS**

##### **a) Cost of jobs are carried forward as Work-in-Progress for which:**

- i. The terms of remuneration receivable by the company have not been settled and/or scope of work has not been clearly defined and therefore, it is not possible in the absence of settled terms to determine whether there is a profit/(loss) on such jobs. However, in cases where minimum undisputed terms have been agreed to by the clients, income has been accounted for on the basis of such undisputed terms though the final terms are still to be settled.
- ii. The terms have been agreed to at lump sum basis but the physical progress is less than 25% of the job.

##### **b) Work-in-Progress is valued at direct cost**

## **C. INTANGIBLE ASSETS**

### **Recognition**

Intangible assets (software) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

### **Subsequent measurement (amortisation)**

The cost of capitalized software is amortized over a period of three years from the date of its acquisition.

## **D. PROPERTY, PLANT AND EQUIPMENT**

### **Recognition**

Properties plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. The cost of any software purchased initially along with the computer hardware is being capitalized along with the cost of the hardware. Any subsequent acquisition/up-gradation of software is being capitalized as an intangible asset.

Whenever any new office space is acquired and partitions/fixtures and fittings are provided to make it suitable for use, the expenditure on the same is capitalized and depreciation is charged.

Whenever significant parts of the property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in statement of profit and loss as incurred.

### **Subsequent measurement (depreciation)**

Depreciation on property, plant and equipment is charged on straight line method either on the basis of rates arrived at with reference to the useful life of the assets evaluated by the Committee consisting of Technical experts and approved by the Management or rates arrived at based on useful life prescribed under Part C of Schedule II of the Companies Act, 2013, whichever is higher.

## **Certification Engineers International Limited**

### **Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025**

Premium paid on leasehold property where lease agreements have been executed for specified period are written off over the period of lease proportionately.

100% depreciation is provided on library books in the year of purchase.

Property, plant and equipment individually costing less than INR 5,000 are fully depreciated in the year of acquisition.

The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

#### **De-recognition**

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the statement of profit and loss when the asset is derecognised.

## **E. FOREIGN CURRENCY**

#### **Functional and presentation currency**

The financial statements are presented in INR, which is also the functional currency of the Company.

#### **Foreign currency transactions and balances**

##### **Initial recognition**

Foreign currency transactions are accounted for at average monthly rates based on market rates for preceding month.

##### **Conversion**

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items which are measured in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

##### **Exchange differences**

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

## **F. INVESTMENT PROPERTIES**

#### **Recognition**

Investment properties are properties held to earn rentals or for capital appreciation, or both. Owned Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. An Investment property held as right-of use asset are measured initially at its cost in accordance with Ind AS 116.

When significant parts of the property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

## Certification Engineers International Limited

### Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025

#### Subsequent measurement (depreciation)

Depreciation on investment properties is charged on straight line method either on the basis of rates arrived at with reference to the useful life of the assets evaluated by the Committee consisting of Technical experts and approved by the Management or rates arrived at based on useful life prescribed under Part C of Schedule II of the Companies Act, 2013, whichever is higher.

Premium paid on land where lease agreements have been executed for specified period are written off over the period of lease proportionately.

#### De-recognition

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the year of de-recognition.

### G. IMPAIRMENT OF NON-FINANCIAL ASSETS

Impairment of cash generating assets are reviewed for impairment whenever an event or changes in circumstances indicate that carrying amount of such assets may not be recoverable. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of assets. If it is found that some of the impairment losses already recognized needs to be reversed the same are recognized in the statement of Profit & Loss Account in the year of reversal.

### H. FINANCIAL INSTRUMENTS

#### Financial assets

##### Initial recognition and measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

##### Subsequent measurement

- i. **Debt instruments at amortised cost**—A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. **Mutual funds** – All mutual funds in scope of 'IndAS 109 Financial Instruments' ('Ind AS 109') are measured at fair value through profit and loss (FVTPL).

##### De-recognition of financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

## **Certification Engineers International Limited**

### **Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025**

#### **Financial liabilities**

##### **Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified as amortised cost.

##### **Subsequent measurement**

Subsequent to initial recognition, these liabilities are measured at amortized cost using the effective interest method. This category generally applies to long-term payables and deposits.

##### **De-recognition of financial liabilities**

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### ***Offsetting of financial instruments***

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## **I. IMPAIRMENT OF FINANCIAL ASSETS**

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

##### **Trade receivables**

As a practical expedient the Company has adopted 'simplified approach' using the provision matrix method for recognition of expected loss on trade receivables. The provision matrix is based on historical default rates observed over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical default rates are updated and changes in the forward-looking estimates are analysed. Further receivables are segmented for this analysis where the credit risk characteristics of the receivable are similar.

##### **Other financial assets**

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

## **Certification Engineers International Limited**

### **Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025**

#### **J. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

The provision for estimated liabilities on account of guarantees and warranties etc. in respect of lump sum services and turnkey contracts awarded to the Company are being made on the basis of management's assessment of risk and consequential probable liabilities on each such jobs.

Provisions are discounted to their present values, where the time value of money is material.

Contingent liabilities are disclosed by way of note unless the possibility of outflow is remote. Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable. However, when realization of income is virtually certain, related asset is recognized.

#### **K. INVENTORIES**

Inventories in respect of stores and spares etc. are valued at lower of cost and net realizable value

Cost includes the cost of purchase (discounted to their present values, if the time value of money is material) and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on "First In, First Out" basis

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### **L. INCOME TAXES**

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

#### **M. CASH AND CASH EQUIVALENTS**

Cash comprises cash on hand and demand deposits i.e. balances held with banks in current accounts for unrestrictive use. Cash equivalents are short term, highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value. The Company considers unrestrictive time deposits with banks having an original maturity of three months or less as cash equivalent.

## **Certification Engineers International Limited**

### **Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025**

#### **N. POST-EMPLOYMENT BENEFITS AND SHORT-TERM EMPLOYEE BENEFITS**

##### **Defined benefit plans**

Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. Plan assets may include assets specifically designated to a long-term benefit fund as well as qualifying insurance policies. Defined benefit plans include gratuity, post-retirement medical benefit and other retirement benefit plans.

The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets.

Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

##### **Other long-term benefits**

The liabilities for leave (earned and Half Pay Leave) are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. The liability is recognised in the statement of financial position basis the present value of expected future payments to be made in respect of services provided by employees upto the end of reporting period (using the projected unit credit method) less the fair value of plan assets.

Liability in respect of long-service awards is recognised in the statement of financial position basis the present value of expected future payments to be made in respect of services provided by employees upto the end of reporting period (using the projected unit credit method).

##### **Short-term employee benefits**

Short term benefits comprise of employee costs such as salaries, bonus etc. accrued in the year in which the associated service are rendered by employees.

##### **Defined contribution plans**

Contributions with respect to provident fund & National Pension System (NPS), defined contribution plans, are deposited to Regional Provident Fund Commissioner & Stock Holding Corporation India Ltd (POP). The Company's contributions to these plans are recognised as expense in Statement of Profit and Loss.

##### **Other benefits**

Voluntary retirement expenses are charged to statement of profit and loss in the year of its incurrence.

#### **O. LEASES**

##### **Company as a lessee**

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

## **Certification Engineers International Limited**

### **Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025**

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonable certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term or useful life of the underlying asset except for perpetual lease. Right of use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows

#### **Company as a lessor**

##### *Operating lease*

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Assets leased out under operating leases are capitalized.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sub lease separately. The sublease is classified as a finance lease or operating lease by reference to the right of use asset arising from the head lease.

Rental income is recognized on straight line basis over the lease term except where scheduled increase in rent compensates the Company with expected inflationary costs.

#### **P. RECENT ACCOUNTING PRONOUNCEMENT**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

#### **Q. EARNINGS PER SHARE**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## Certification Engineers International Limited

### Material accounting policies and Notes to Accounts for the year ended 31<sup>st</sup> March 2025

#### R. SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

##### *Significant management judgements*

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

**Revenue** – For Lump-sum Contracts the Company recognises revenue using the percentage completion method. Use of the percentage completion method requires the company to estimate the cost incurred relative to total expected cost to the satisfaction of performance obligation. This requires estimates to be made of the outcomes of long-term contracts, which require assessments and judgements to be made on changes in work scopes, balance efforts, cost and time to complete the contract including probability of levy for liquidated damages and price reduction for delay to the extent they are probable and they are capable of being reliably measured. Cost and time incurred have been used to measure progress towards completion as there is a direct relationship between input and satisfaction of performance obligation.

**Recognition of deferred tax assets**– The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

##### *Estimation uncertainty*

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

**Recoverability of advances/receivables** – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

**Defined benefit obligation (DBO)**– Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**Provisions** – At each balance sheet date, based on the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from this judgement.

## Certification Engineers International Limited

Notes To The Financial Statements For The Year Ended 31 March 2025

### Note - 4 A

#### Right of Use Assets

##### Leases :- Company as a lessee

The Company's lease assets primarily consist of leases of office premises/residential premises.. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

Particulars	Leasehold Property		Computer Hardware	Total
	Office*	Site Transit Accomodations		
Balance as at 31 March 2023	171.10	28.06	1.87	201.02
Additions	-	16.55	-	16.55
Depreciation	-	(30.45)	(1.07)	(31.52)
Reclassification from/to property, plant and equipment & ROU assets due to change in use	(171.10)	-	-	(171.10)
Balance as at 31 March 2024	-	14.15	0.79	14.94
Additions	-	-	-	-
Depreciation	-	(12.42)	(0.79)	(13.21)
Reclassification from/to property, plant and equipment & ROU assets due to change in use	-	-	-	-
Balance as at 31 March 2025	-	1.73	0.00	1.73

(₹ In Lakhs)

The aggregate depreciation expense on ROU assets is included under depreciation and amortization expense in the statement of Profit and Loss.

\*Acquired from CIDCO Limited on 60 years lease basis. From 01st April, 2023, the office premises has been re-classified as Investment property. Refer Note- 4B Investment Property for details.

The following is the break-up of current and non-current lease liabilities:

Particulars	(₹ In Lakhs)	
	31 March 2025	31 March 2024
Current lease liabilities	2.09	14.19
Non-Current lease liabilities	-	2.10
Total	2.09	16.29

The following is the movement in lease liabilities:

Particulars	(₹ In Lakhs)	
	31 March 2025	31 March 2024
Balance at the beginning	16.29	31.69
Additions	-	16.55
Finance cost accrued during the year	0.70	2.38
Payment of lease liabilities	14.90	34.33
Balance at the end	2.09	16.29

The detail regarding the contractual maturities of lease liabilities on undiscounted basis is as follows:

Particulars	(₹ In Lakhs)	
	31 March 2025	31 March 2024
Less than one year	2.13	14.39
One year to two years	-	2.13
More than two years	-	-
Total	2.13	16.52

The Company does not face a significantly liquidity risk with regard to its lease liabilities as the current assets (including cash and bank balances) are sufficient to meet the obligations related to lease liabilities as and when they fall due.

During the year Company recognised as operating expenses of ₹ 145.44 ( previous year ₹ 17.69 Lakhs) towards short term leases for certain office, and residential premises.

The following is the discount rate considered in ROU asset calculation :-

Particulars	Discount rate	
	2024-25	2023-24
Quarter 1	8.80%	8.50%
Quarter 2	9.10%	8.55%
Quarter 3	9.15%	8.55%
Quarter 4	9.15%	8.65%

<b>Total</b>	<b>230.98</b>	<b>202.11</b>	

### v) Fair value hierarchy and valuation technique

The fair value of investment property has been determined by external, independent property registered valuers, as defined under Rule 2 of Companies (Registered Valuers and Valuation) Rules 2017, having appropriate recognised professional qualification and recent experience in the location and category of the property being valued. The Company obtains independent valuations for its investment properties annually and fair value measurement has been categorised as Level 3. The fair valuation has been carried out using current prices in an active market for similar properties (market approach) and under replacement cost method (cost approach).

Notes To The Financial Statements For The Year Ended 31 March 2025

## Note - 30

### Financial asset - fair value hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statement are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

**Level 3:** Unobservable inputs for the asset or liability.

## Note - 31

### Financial instruments

#### (i) Financial instruments by category

Particulars	31 March 2025		31 March 2024	
	FVTPL	Amortised	FVTPL	Amortised

Lease Liabilities		2.09	-	16.29
<b>Total financial liabilities</b>		<b>1,205.89</b>	-	<b>953.11</b>

#### (ii) Financial instruments measured at amortised cost

For amortised cost instruments, carrying value represents the best estimate of fair value except for long-term financial assets.

#### (iii) Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

#### (A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

#### a) Credit risk management

##### i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

The Company provides for expected credit loss based on the following:

Asset Group	Basis Of Categorisation	Provision for Expected Credit Loss
Low credit risk	Cash and cash equivalents, other bank balances and other financial assets	12 month expected credit loss and Life time expected credit loss
Moderate credit risk	Trade receivables	Life time expected credit loss
High credit risk	Trade receivables	Life time expected credit loss or fully provided for

# Certification Engineers International Limited

## Notes To The Financial Statements For The Year Ended 31 March 2025

In respect of trade receivables, the company recognises a provision for lifetime expected credit loss.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss

(₹ In Lakhs)			
Credit rating	Particulars	31 March 2025	31 March 2024
A: Low credit risk	Cash and cash equivalents, other bank balances and other financial assets	10,725	9,760.73
B: Moderate credit risk	Trade receivable	362	396.59
C: High credit risk	Trade receivables	529	291.75

### ii) Concentration of trade receivables

The Company's exposure to credit risk for trade receivables is as follows -

## (B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

## Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

**Note – 37**

**Employee Benefits**

The disclosures required under Indian Accounting Standard (Ind AS 19) 'Employee Benefits' are given below:

**Defined Contribution Plan**

The amount recognized as an expense in defined contribution plan is as under:

(₹ In Lakhs)

Particulars	31 March 2025	31 March 2024
Contributory Provident Fund and Employees' Pension Scheme, 1995	119.17	118.12
Contributory National Pension System (NPS)	89.43	86.25

**Defined Benefit Plan**

Company is having the following Defined Benefit Plans:

- Gratuity (funded)
- Leave encashment (unfunded)
- Long service awards (unfunded)

In this regard, actuarial valuation as on 31 March, 2025 was carried out by actuary in respect of all three plans, and the details are as under:

**Risks associated with plan provisions**

Inherent risk	The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience or inadequate returns on underlying plan assets can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks

**Notes to the financial statements for the year ended 31 March 2025**  
**Note – 46**

**Trade receivables and Contract Balances**

The following table provides information about Trade receivable, Contract assets and Contract Liabilities from Contract with Customers:

Particulars	(₹ In Lakhs)	
	31 March 2025	31 March 2024
Trade Receivables (Note No. 11) – Net of Allowance for expected credit losses	2,432.02	2135.75
Contract Assets (Unbilled Revenue) (Note No. 6 B)	501.74	500.37
Contract Liabilities (Unearned Revenue) (Note No. 17)	8.85	6.15
Contract Liabilities (Advance from Customers) (Note No. 17)	468.55	384.04

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

A receivable is a right to consideration that is unconditional upon passage of time. Trade receivable and unbilled revenue are presented net of impairment in the Balance Sheet.

Revenues in excess of invoicing is recorded as unbilled revenue (contract assets) and is classified as a financial asset. Revenue recognition for lump sum contracts is based on percentage of completion method based on cost progress. Invoicing to the clients is based on milestones as defined in the contract. Revenue from Cost plus and rate plus jobs are recognized when the related services are performed and revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue.

Invoicing in excess of earnings is classified as Income received in advance (contract liabilities) and is classified as other current liabilities.

During the year ended 31 March 2025 and 31 March 2024, ₹500.37 Lakhs and ₹ 474.51 Lakhs of Contract assets (unbilled revenue) as of 1 April 2024 and 1 April 2023 respectively has been reclassified to Trade receivables upon billing to customers.

**Remaining performance obligations**

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized at the end of the reporting period and an explanation as to when the Company expects to recognize these amounts in revenue. Performance obligation estimates are subject to change and are affected by several factors, including termination, changes in the scope of work, adjustment for revenue that has not materialized, and adjustments for currency.

The aggregate value of performance obligations that are completely or partially unsatisfied as of 31 March 2025 is ₹ 6,047.96 Lakhs (Previous year ₹ 7514.00 Lakhs). Out of this, the Company expects to recognize revenue of around 67.45% within the next one year and the remaining thereafter.

**Note – 47**

The balances of trade receivables, loans and advances, customer's advances, retention money, security deposits receivable/payable and trade payables are subject to confirmation and reconciliation.

Tax deducted at source by our clients & banks for the financial year 2024-25 is subject to reconciliation with Form 26AS.
